

Yew Bio-Pharm Group, Inc.

Profile

Ticker **YEWB** | Primary Stock Exchange **OTCQB**

Overview: This company grows and sells yew trees, and makes and sells yew raw materials used in the manufacture of traditional Chinese medicine and products made from yew timber in China.

Incorporated: INCORPORATED in Nevada Nov. 5, 2007.

Background: Yew Bio-Pharm Group, Inc., through its operating entity, Harbin Yew Science and Technology Development Co., Ltd., grows and sells yew trees, and makes and sells yew raw materials used in the manufacture of traditional Chinese medicine (TCM) and products made from yew timber in China. Raw material from the species of yew tree that the company grows contains taxol, and TCM containing yew raw materials has been approved as a traditional Chinese medicine in China for secondary treatment of certain cancers. The company uses a patented, accelerated growth technology to speed the growth and maturity and commercialization of yew trees and believes that it is one of the few companies possessing a permit to sell them. Products made from yew trees include potted yew trees for display in homes and offices, and handicrafts. The company operates in three reportable business segments: the TCM raw materials segment, consisting of the production and sale of yew raw materi(Continued on the next page of this report)
